EVENT | 12.13.2022

Vorys will be hosting a webinar titled "Understanding the SEC's New Pay Versus Performance Rules" on December 13, 2022 at 12 pm EST. Beginning with annual proxy statements for fiscal years ending on or after December 16, 2022, public companies will be required to disclose the relationship between executive compensation actually paid by the company and the company's performance. This timely presentation will address the new rules and the steps companies can take to prepare their disclosures.

Presenters will include Vorys partners Adam Brandt, Betsy Farrar, Adam Miller and Chad Reynolds. Click [here](#) to register.
