NEWS | 11.29.2016

On November 17, 2016, AEP Ohio Transmission Company filed a pre-application notification letter with the Ohio Power Siting Board concerning a new proposed transmission line project in Washington County. AEP Ohio Transco calls the proposed project the Macksburg-Devola 138 kV transmission line rebuild. The proposed project would be approximately 17 miles long and run through Adams, Aurelius, Marietta, Muskingum and Salem townships.
