Brown Quoted in *Law Technology News* Story on New Litigation Technology**Related Attorneys**

Julie K. Brown

NEWS | 9.22.2011

Julie Brown, Vorys' litigation technology executive manager, was quoted extensively in the *Law Technology News* article entitled "Summation Slated for November Refresh." The article, which provides an overview of upcoming changes to e-discovery and litigation support software, states: "Julie Brown, litigation technology manager at 375-attorney firm Vorys, Sater, Seymour and Pease, said the Summation changes are good news -- if they work as advertised. 'I think it's overdue. But I think we definitely need a browser-based solution.'"
