Stephen Buchenroth, a partner in the commercial and real estate group of the Vorys Columbus office, was quoted in a *Columbus Business First* story recognizing Schottenstein Property Group's executive vice president and general counsel, Tod Friedman, as a top corporate counsel.

The article highlighted the billions of dollars of real estate work done by the company each year and states:

"To me, among the best evidence of Tod's skill as a corporate counsel is the lack of major cases his companies have faced. Tod does an excellent job of advising his clients so that they have been, for the most part, able to avoid significant litigation," said attorney Stephen Buchenroth, a partner at Vorys Sater Seymour and Pease LLP."
