6.8.2022

Betsy Turrell Farrar, a partner in the Columbus office, was awarded the Linda S. Kass Excellence in Education Award by the Bexley Education Foundation (BEF) Board of Governors at the Bexley School's 2022 End of the year Recognitions event. Farrar has served on the BEF Board of Governors for 10 years and is the current immediate Past Board Chair.

The Award was established in 2013 to honor Linda Kass, a founding member of the BEF who served in many capacities including Board Chair, Leadership Bexley facilitator, and founder and chair of the Bexley Community Book Club. The Award honors a current or past Bexley community member who has demonstrated exemplary support of public education and service to the BEF.
