

Gibson Discusses Internet Defamation on The Crisis Intelligence Podcast

Related Attorneys

Whitney C. Gibson

NEWS | 1.5.2015

Whitney Gibson, a partner in the Cincinnati office and the leader of the internet defamation group, was a guest on The Crisis Intelligence Podcast. During the podcast, Gibson and the podcast's host, Melissa Agnes, discussed the challenges of dealing with internet defamation, including the best practices for dealing with and preventing internet defamation. They also discussed defamation protection strategies that companies can implement. Additionally, the two discussed what in-house counsel need to know about this subject.
