According to research by the American Psychiatric Association, nearly a third of all Americans say they know someone who is or has been addicted to opioids or prescription painkillers. In the [latest episode](#) of "Vorys at Work," [Jackie Ford](#) talks with Vorys health care lawyer and registered nurse [Robin Amicon](#) about the pharmacology of opioid addiction and about testing, training, and accommodation issues for employers dealing with opioid-related issues.

All Vorys at Work episodes and additional resources can be found at vorys.com/vorysatworkpodcast. They can also be found on [SoundCloud](#) and Apple Podcasts. New episodes will be added each month.

Ford also recently authored an article on this topic for *Corporate Counsel* titled "America's Opioid Crisis: What Employers and Their Counsel Need to Know." You can read that article [here](#).
