In this [special episode](#) of the Vorys IP podcast, host Jeremy Harrison is joined by Aaron Williams, an associate in the Vorys Cleveland office. Their discussion provides a summary of some of the important intellectual property cases litigated and before the U.S. Supreme Court in 2021 and highlights matters to look out for in the coming year. Jeremy and Aaron also take a look at how these cases will impact trademark, copyright and patent developments in 2022.
