

Vorys Named One of Six “Midsize Powerhouse” Firms by BTI Consulting Group

NEWS | 5.7.2020

BTI Consulting Group announced today that Vorys has been named to a shortlist of “midsize powerhouse” law firms. According to BTI, firms on this list are recognized by clients as “bringing the same level of confidence and reliability as the big firms” and are known to “provide up-close counsel and trusted advice.”

Only six firms nationally, including Vorys, were named 2020 midsize powerhouse firms. Another 31 law firms were included on the list as midsize heavyweights. BTI President Michael Rynowecer said Vorys and the other five firms provide superior client service and industry knowledge.

“These firms are uber-responsive, dig deep, hard, and fast to find the answers. Always quick to embrace new approaches to billing and problems, these firms make sure clients always know who is accountable for their work and the relationship,” Rynowecer said. “Clients report these firms bring industry understanding and the most important factor – an unfailing commitment to help. These overachievers are among the most active in providing up-close counsel and trusted advice.”

The list was compiled after BTI conducted more than 340 in-depth interviews, across 17 industries in the U.S. According to BTI, no law firm can self-submit, refer a client, or pay to be included on any BTI list. To learn more about the list, [click here](#).
