

Vorys Pledges Commitment to LCLD's Leaders at the Front Diversity Initiative

5.31.2022

Vorys is pleased to announce that the firm has pledged its commitment to the Leadership Council on Legal Diversity's (LCLD) Leaders at the Front Initiative. Leaders at the Front is an initiative designed to dismantle systemic barriers preventing underrepresented attorneys from achieving the highest levels of leadership within law firms and corporate legal departments.

Through this program, LCLD encourages its leaders to make personal commitments to DEI and implement organizational changes that are specific, meaningful and measurable. The Leaders' Pledges are available on LCLD's Leaders at the Front [website](#). LCLD also provides resources to help its members create impactful pledges and a platform for leaders to share plans and best practices so that a collective voice across the industry will create transformational change.
