Financial Institutions

NEWS | 1.21.2018

According to data compiled by S&P Market Intelligence, Vorys ranked 20th nationally in the number of bank and thrift merger and acquisition transactions completed in 2017.

Vorys provides a full array of legal services to both national- and state-chartered banks and thrifts, and their holding companies and subsidiaries. Vorys advises financial institution clients and their management and boards on issues related to their strategic options including expanding their businesses through mergers, acquisitions and formation of holding companies, raising capital, charter conversions branch sales and purchases and interstate branching. The firm also assists financial institution clients in complying with increasingly complex federal and state laws and regulations impacting the industry.

About S&P Global Market Intelligence: S&P Global Market Intelligence collects, interprets and analyzes vast volumes of content, turning it into actionable intelligence on the global financial markets and the companies and industries that comprise those markets.
