Eve Stratton, of counsel in the Vorys Columbus office who prior to joining Vorys was a justice on the Supreme Court of Ohio, was quoted in a Court News Ohio article titled, "Common Good," on May 21, 2018.

### The quote states:

*"Families who once were afraid to call police about mentally ill relatives now feel more comfortable reaching out for assistance because of greater police training about mental illness," she said. "And because financial resources are always a challenge for courts and in jails and prisons, reducing the number of people with mental illnesses in jails and prisons has been one positive impact of mental health dockets."*
