Vorys Named One of Three 2023 “Ohio Powerhouse” Law Firms by Law360

8.24.2023

Vorys is proud to announce that the firm has been named one of three “Ohio Powerhouse” firms by Law360. According to the publication, the law firms recognized as Ohio Powerhouses for 2023 “have capitalized on Ohio’s robust business environment while still looking beyond geographic limitations to build nationally recognized brands”

More specifically, Law360 notes that Vorys “corporate and mergers and acquisition work, along with full-service labor-and-employment, litigation and retail teams, has made Vorys a Midwest standout.”

Law360 published a story highlighting Vorys’ strength in the Buckeye State. The story states:

“Vorys’ big litigation wins over the past year included a U.S. Supreme Court victory for Marietta Memorial Hospital, its employee group health plan and its health plan third-party administrator. That winning run of cases earned the firm a spot on Law360’s list of Ohio Powerhouses of 2023.”

The story also featured quotes from Vorys Managing Partner Michael Martz, including this one:

“What we feel very excited about is we’ve become very entrepreneurial at our firm, and we’re spending a large amount of time focusing on how we can supplement our legal services with consulting and data-driven solutions for our clients,” Martz said. “We’re adding the ability to provide our clients more than just legal services — in terms of consulting and data analytics — to help solve their issues.”

He added that the firm will continue to look to data analytics, technology, consulting and software to find ways to provide comprehensive services for clients.

“That’s going to be a real focus for us,” Martz said.”
