Hydraulic Fracturing Law and Practice – Second Edition

Related Attorneys

Michael K. Venum

AUTHORED ARTICLE | 9.14.2017

Michael Venum, of counsel in the Vorys Pittsburgh office, authored the Pennsylvania chapter for the 2017 edition of *Hydraulic Fracturing Law and Practice*.

This treatise is a desk book on the law of hydraulic fracturing, and it covers federal and state statutory and regulatory requirements and certain litigation on this subject.

This reference is available both in book and electronic format. Copies may be purchased through [LexisNexis](#).
