### Nondisclosure Agreements in Economic Development: Best Practices and Special Public Entity Issues

Nondisclosure agreements (NDAs) or confidentiality agreements are commonplace in commercial transactions, especially in deals that are negotiated privately before any public disclosure, or if parties need to share proprietary information.

**About *Development Incentives Quarterly*:** We at Vorys are continually educating ourselves regarding economic development incentives, including tax credit changes and opportunities. We created the *Development Incentives Quarterly* to provide you relevant information that you need in the changing landscape of this area. Our economic development incentives clients include developers, political subdivisions and growing businesses, so you'll see information from a variety of perspectives. That diverse perspective has allowed us to grow to be one of the largest economic development incentives practices in the state of Ohio. As we've grown, we have also expanded our geographic reach and now advise on projects across the country.
