AUTHORED ARTICLE | 3.11.2024

Bill Oldach, a partner in the Vorys Washington, D.C. office, and Lauren Kickel, an associate in the Vorys Houston office, co-authored an article for *For the Defense*, the monthly magazine published by DRI. DRI is the largest international membership organization of attorneys defending the interests of business and individuals in civil litigation.

The article provides readers with a scenario related to a client being sued in district court for patent infringement and offers a roadmap on how to formulate the best plan of attack to handle the litigation and invalidate the opposing party's patent through the U.S. Patent Trial and Appeal Board at the same time.
