NANCY CONRAD

Partner

WHITE AND WILLIAMS LLP

For 25 years Nancy Conrad has been an attorney and Managing Partner at White and Williams LLP in Center Valley.

Conrad is also Chair of the Higher Education Practice Group and Managing Partner of the Lehigh Valley Office. “I represent businesses, educational institutions and non-profit organizations in all aspects of workplace disputes; and colleges, universities and schools in matters related to faculty, staff and students. In May, I completed my term as President of the Pennsylvania Bar Association (PBA),” Conrad said.

She said the legal profession and the country had faced challenges to the fundamental principles of our federal and state constitutions. “Attorneys with our firm and across Pennsylvania have stepped forward and supported statements and programs that I advanced as PBA president, continuing our commitment to the rule of law, an independent judiciary, an inclusive environment and the right to counsel,” Conrad said.

In her roles, Conrad meets and works with individuals, groups and organizations across the state to advance integrity and excellence in the legal profession.

“In my law practice, I provide best in practice to my clients and in the community, I work to advance the public’s understanding of and confidence in the rule of law and our legal system. I am grateful to be in the position to serve clients and impact our communities.”
