On Wednesday, April 29th, Gus Sara co-presented a CLM webinar with Kathleen Schraven, Adjuster Large Loss Subrogation, Hanover Insurance on "Game of Rooms – Strategies for Conquering Your Next Mediation."

In modern civil litigation, mediations are becoming more and more popular with both clients and courts. Many jurisdictions even mandate that parties engage in some form of alternative dispute resolution. In property subrogation cases, where damages are often not the main point of contention, mediations can be especially successful. However, mediators and litigants often have their own preferences about how mediations should be handled.

The May 2019 CLM Magazine included highlights of the webinar, which offered strategies for conquering your next mediation, especially in property cases where damages are often not the main point of contention. To read more, please turn to page 46 of the magazine [here](#).
