OVERVIEW

Jeremy is an Associate in Commercial Litigation specializing in the Insurance Coverage and Bad Faith practice group.

Jeremy participated in White and Williams Summer Associate program, where he attained hands-on experience in the practice of Insurance Coverage and Bad Faith in 2023.

During his time in law school, Jeremy was selected as a Social Justice Scholar, a program that recognizes a small cohort of students who demonstrate an exceptional commitment to public service. He volunteered through: Street Law teaching at LEAP Academy in Camden; Legal Services of New Jersey (LSNJ) performing research; the Planning Estates Project (PEP) preparing wills, powers of attorney, and living wills for elderly, low-income Camden-area residents; Pennsylvanians for Modern Courts (PMC) observing and recording bail arraignment proceedings; and Name Change Project guiding Camden-area residents through the submission of a name change petition. Jeremy received a Certificate in Corporate and Business law as well as the Dean's pro Bono Publico Award for Exceptional Service in recognition of more than 100 hours of pro bono service while a student.

Prior to law school, Jeremy worked for over a decade as a clinical laboratory scientist performing diagnostic human testing in hematology, chemistry, microbiology, coagulation, urinalysis, and blood bank / immunoserology. Additionally, he worked for several years in higher education where he advised and supervised student employees, managed university buildings and budgets, and adjudicated student violations of university policy.
