

Highway to the Danger Zone: Using Alternative Safer Designs to Prove a Product Liability Case

2025 NASP Annual Conference
Chula Vista (San Diego), CA
10.27.25

Michael Ciamaichelo, Partner, and Michael DeBona, Counsel, will present "Highway to the Danger Zone: Using Alternative Safer Designs to Prove a Product Liability Case," at the 2025 National Association of Subrogation Professionals (NASP) Annual Conference in Chula Vista (San Diego), CA, on October 27, 2025 at 1:00 PM.

This presentation will discuss alternative designs in products liability cases and the importance of this step in the process of investigating and proving liability to establish a defect. The panel will also discuss ways subrogation professionals can learn of or develop alternative designs to help build a stronger, more persuasive case, as well as the potential obstacles that they may face during this process.

These White and Williams attorneys will present alongside Jeremiah Pratt and Mike Stoddard of Genesis Forensics.
