Y'all Come Back Now, Ya Hear? How to Best Leverage Evidence of Product Recalls In Your Product Liability Claims

National Association of Subrogation Professionals, Annual Conference (Austin, TX)
11.7.17

Brian Tetro will be presenting at the 19th Annual NASP Conference on November 7, 2017. His session will emphasize how best to use evidence of product recalls in subrogation claims, and to handle the defenses that jeopardize successful recoveries.
