

Proving That Your Subrogation Target Breached an Accepted Standard of Care

2025 NASP Spring Conference
4.3.25

Chris Konzelmann, Partner and Chair of the Subrogation Department, will be presenting at the 2025 NASP Spring Conference as a panelist in the presentation, "Proving That Your Subrogation Target Breached an Accepted Standard of Care," which is scheduled for April 3rd from 1:30-2:30 p.m.

Chris' presentation will show professionals in the subrogation industry how to find and prove the applicable standard of care, and how to avoid making mistakes by failing to properly address this key evidentiary element.
