

Site UnScene: Strategies for Claims Investigations with Challenging Site Requirements or Limited Evidence

Subrogation Social (Waltham, MA)
5.30.19

PRACTICE AREAS

Subrogation

Associate Shannon Warren presents at this interactive discussion between experts and counsel on what transpires during a site investigation. Topics include:

- Subrogation potential when critical evidence is gone: tactics for gathering evidence and witness statements to salvage your case
- Management of challenging site inspections: effective protocols for large multi-party exams, navigating scenes with safety hazards and limited access
- The pros and cons of having subrogation counsel attend scene inspections
