

The Future of Higher Education

Future of Higher Education Symposium (Center Valley, PA)
3.28.19

White and Williams is pleased to be the "Presenting Sponsor" of Lehigh Valley Business' "The Future of Higher Education" on March 28, 2019. The Future of Higher Education Symposium will feature a panel of local college presidents as they address affordability, enrollment challenges and opportunities and the increasing role that technology plays in education and more.

If interested in attending, please find more information and register [here](#).
