

The Global Mindset: A Transatlantic Conversation Between Dublin and New York

5.5.17

Nicole Sullivan, Partner in the International Transactions and Disputes Group, will participate in a transatlantic conversation between Dublin, Ireland and New York, NY about what it takes to have a global mindset in business.

Leaders who have a high level of global mindset are more likely to succeed in working with people from other cultures. Having a global mindset requires:

- Intellectual Capital: Global business savvy, cognitive complexity, cosmopolitan outlook
- Psychological Capital: Passion for diversity, quest for adventure, self-assurance
- Social Capital: Intercultural empathy, interpersonal impact, diplomacy
