

Best Lawyers® Recognizes 40 White And Williams Lawyers

Firm News

8.18.22

Thirty-two White and Williams lawyers were recognized in The Best Lawyers in America® 2023. Inclusion in Best Lawyers® is based entirely on peer-review. The methodology is designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical area and legal practice area. Best Lawyers® employs a sophisticated, conscientious, rational, and transparent survey process designed to elicit meaningful and substantive evaluations of quality legal services.

In addition, eight lawyers were recognized as "Ones to Watch" by Best Lawyers®. This recognition is given to attorneys who are earlier in their careers for outstanding professional excellence in private practice in the United States.

The firm is also pleased to announce Best Lawyers® has recognized four White and Williams lawyers as "Lawyer of the Year."
