

White and Williams Lawyers Attend Delaware ExporTech™ Program

ExporTech™: Fast Track to Developing Strategies for International Sales (Newark, DE)

10.30.19

White and Williams International Practice Group Chair Gary Biehn and Associate Gwenn Barney attended Delaware ExporTech™: Fast Track to Developing Strategies for International Sales in Newark, Delaware, on October 24, 2019. Gary presented at the event on the topic of Cross Border Contracting: An Overview of Legal Considerations. After the presentation, both Gary and Gwenn met with participant companies to provide legal guidance in developing export plans.

Delaware ExporTech™ provides participating companies the opportunity to meet for three one-day sessions over a three-month period at which local experts knowledgeable in all aspects of exporting provide information and guidance and enable companies to accelerate their growth plan.
