

## Nancy Conrad Coordinates First-Ever PBA Midyear Meeting Community Service Project

3.25.19

Nancy Conrad, Chair of the Labor and Employment Group and Managing Partner of the Lehigh Valley office, coordinated a first-ever community service project at the 2019 PBA Midyear Meeting at the Grand Cayman Marriott Beach Resort, Cayman Islands. PBA members had the opportunity to work with the Cayman Island Humane Society and the dogs in its care.

"Many PBA members participated in the project and visited the Humane Society to make financial contributions and to interact with the animals, including taking the dogs on extended walks and outside visits to socialize with people and better prepare them for their future adoptions," said Nancy of the project.

Nancy and the PBA plan to have another community service project at next year's Midyear Meeting, which will be held from January 29 - February 2, 2020.
