

White and Williams' Insurance Practice Receives Top Honors

9.22.16

The firm was named winner in the Insurance category of *The Legal Intelligencer's* 2016 Litigation Department of the Year contest.

Firms were asked to submit their biggest victories and important cases from the past year, along with client references to the ALM publication. While the work submitted could have been done in Pennsylvania, throughout the country and abroad, the key was that it was handled primarily by Pennsylvania lawyers.

Winning firms will be profiled in a supplement of *The Legal Intelligencer* and will be honored at an awards celebration at the Crystal Tea Room on November 3.
