

Michael De Chiara to Present at NY Metro Builds Bio+ Annual Symposium for Life Science Innovation and Development

11.01.2023

On November 1, 2023, Senior Partner Michael De Chiara will moderate a panel on the Greater NY Metropolitan Area: Life Science Landscape Outlook at the 6th Annual NY Metro Builds Bio+ Symposium for Life Science Innovation and Development.

The panel will discuss how private and public investments are driving exponential growth for the life science industry despite current economic challenges, what new initiatives are furthering innovation in the space and what this means for the Greater NY Metropolitan Area. This session will also highlight the private sector macro trends driving industry growth, map where concentrated development is occurring, and will provide a forecast for future opportunities and areas of expansion.
