

Partner James Terry to Speak on Association of Medical Facility Professionals (AMFP) Panel

05.15.2025

On Thursday, May 15, 2025, Zetlin & De Chiara Partner Jim Terry will speak on a panel titled "Contract Mechanisms: The Good, The Bad, and The Ugly," hosted by the Association of Medical Facility Professionals (AMFP) for the Greater New York region. The panel is part of the "AMFP Conversations" series hosted by AMFP to discuss issues pertinent to Healthcare Facilities. The panel will feature healthcare system owners and healthcare end users and will consider various contract mechanisms available to design and construction professionals. The speakers are listed below.
