

Commercial Observer: Pulse Healthcare Conference

11.10.2016

Strategies for Growth

Whether you are a large general contractor, a smaller sub, an engineer, an architect, or a facilities manager...you touch some part of a project. The presenters (from various size companies) will share their experiences working on a major healthcare facility in the area. From the overall design, to the inner work that keeps a facility functioning and everything in between, you will learn how their work has helped with growing business and overall customer satisfaction.

- **Moderator:** Michael S. Zetlin, Esq., Founding Partner, Zetlin & De Chiara LLP
- William Allan MRICS, Vice President - Project Executive, Hunter Roberts Construction Group
- Anita Konfederak, Vice President, Merritt Engineering Consultants, PC
- Donna J. Ryan-Rose, Assistant Vice President, Capital Projects, Physical Assets, Northwell Health
