05.11.2017 | 7:30 AM - 11:00 AM

With constantly changing real estate dynamics, one thing is for certain: Midtown is here to stay.

With its convenient commute and central location, the city's largest commercial real estate submarket continues to play host to the most diverse talent pool in the country. As the tenant mix evolves, and leasing activity is driven from a wider group of industries, owners are finding innovative ways to appeal to the broadest universe of prospective tenants to ensure that Midtown continues to be a go-to destination for decades to come.
