

## Fortune 500 Company's New York City Sports Facility Construction Dispute

We are representing a Fortune 500 company that provides architecture, design, engineering, and construction services across the globe. On behalf of our client, we asserted a claim against one of the project subcontractors relating to their faulty work and delays attributed to the actions and/or inaction of the subcontractor. The project entailed the demolition and construction of a major New York City sports facility, which has a budget exceeding \$500 million.
