

## Technology

Building and renovating structures to meet new and exacting standards for security, reliability and performance is increasingly challenging. Zetlin & De Chiara has crafted contracts and resolved disputes for mass communications projects.

### **The following are select representative matters:**

#### **Manhattan Transportation Center Telecommunications System Construction Dispute**

We represented a construction manager with a design sub-consultant in a multi-million dollar dispute over the design and construction of a wireless communications system to service a major transportation center in Manhattan.
