

Zetlin & De Chiara's Response to the Coronavirus Pandemic

03.13.2020

The health and safety of our clients, friends and colleagues are foremost in our minds as we continue to closely monitor the COVID-19 outbreak. With the increased number of COVID-19 cases in New York, and a declaration of emergency due to the coronavirus, we are providing an update on our operations.

We are open and conducting business. We have adopted a public health emergency plan in response to the COVID-19 outbreak designed to address business continuity in a smart and pragmatic way. The plan includes enhancements of our already-robust remote work capabilities to enable our lawyers and staff to be responsive to your legal and business needs throughout any potential shutdowns or quarantines that may be implemented.

Our thoughts are with all of those affected by the coronavirus outbreak. We wish everyone safety and health as we navigate these challenging times.

Please contact us with any questions.
