

Tara Mulrooney, Partner, Quoted in "A Wild 15 Months": Pandemic Spurs Conversion of Offices to Labs

The New York Times
07.28.2021

Tara Mulrooney, partner is quoted in a New York Times article, on the rise of life science labs in New York since the pandemic. "This is one area [of the real estate market, the grows in clusters, not just in specific cities but also specific locations within cities," said Tara Mulrooney, a partner at the law firm Zetlin & De Chiara, which focuses on construction law. "Proximity to talent is vital."
