Zetlin & De Chiara LLP is proud to announce that Partners Michael Zetlin, Michael De Chiara, Raymond Mellon, Carol Patterson, and Michael Vardaro have been named five of the top construction litigation attorneys in New York by Super Lawyers Magazine.. Only five percent of all lawyers in the state receive this acknowledgement.

"Since opening this firm two decades ago, we have endeavored to provide the highest quality legal services for our clients, and it is always rewarding when the community recognizes our efforts," said Michael De Chiara, the firm's co-founder.

And in the first-ever New York Rising Stars category, Super Lawyers Magazine named Associate Principal Jaimee Nardiello its list of top up-and-coming attorneys. No more than 2.5 percent of the candidates in the state are named.

"I am delighted that the consistently high caliber of Jaimee's legal work has earned her this recognition," said Michael Zetlin, the firm's co-founder. "Her dedication to the practice of law and the well-being of the firm's clients makes her an invaluable member of our team."

Zetlin & De Chiara LLP is a construction law firm committed to providing innovative legal and business advisory services to members of the design, construction, and real estate industries.
