

Zetlin & De Chiara Co-hosts A&E Industry Market Outlook Briefing

New York

Zetlin & De Chiara is pleased to announce that on April 2 the firm is co-hosting an event with accounting firm Grassi & Co.: "The A&E Market Outlook Briefing: Planning for 2013 and Beyond".

The breakfast briefing will take place on April 2 at the Center for Architecture, where industry executives will share perspectives on the current and future state of the A&E market, including their thoughts on ownership transition, risk, and growth within the industry. The panel will speak to the trends that are driving the industry, diversification of service offerings and how BIM is impacting the way firms do business.

Panelists will include:

- Jay Simson - President, ACEC New York
- Peter Catalano - CFO, Kohn Pedersen Fox Associates PC
- Eric Goshaw - Owner, Goshaw Architects LLP; President, AIANY
- David Thornhill - CFO, AKF Engineers

- Joe Tortorella - President, Robert Silman Associates

The panel discussion will be driven by the results of the Grassi & Co. and Zetlin & De Chiara LLP 2013 A&E Market Outlook Survey conducted in December of 2012. The survey was started in an effort to provide architecture & engineering executives with a market intelligence tool and resource to assist in guiding their business objectives and strategies.
