

The Post Pandemic Office: Perspective on the New Normal

05.05.2020

Cities with their dense populations, crowded public transportation systems and busy high-rise office buildings, present many challenges in the prevention of the spread of the COVID-19. As Governors across the country prepare for the return to the workplace, employers and building owners have embarked on plans for re-opening the office.

On May 5, 2020, Zetlin & De Chiara LLP hosted a webinar that discussed the Post Pandemic Office. The expert panel including, Mitch Simpler, Jaros, Baum & Bolles, Andrew Demming-Gardiner & Theobald, Joanna Frank-Center for Active Design, Christopher Sharples-SHoP Architects, and moderated by Z&D Partner Tara Mulrooney, offered its perspectives on what steps should be taken immediately and how offices might change in the future.
